

## NEW YORK STATE LABORERS' ORGANIZING FUND

### We're In This Together

As we continue to closely monitor the outbreak of the Coronavirus disease (COVID-19), our thoughts go out to all those affected.

At NYSLOF, we have only one priority during this difficult time - providing our members with the proper resources and peace-of-mind to adjust accordingly and persevere together.

We want to take this time to assure you that we will continue to do everything we can to protect and advocate for the health and safety of the hard working women and men of New York State.

Updates will be posted on the website, Facebook, Twitter and Instagram pages on a daily basis.

Any important or emergency situations will be handled in an expeditious manner by our dedicated staff.

Thank you for your patience, faith and trust at this most unprecedented time in our union's long history.

In Solidarity,

John Hutchings  
Director, NYS Laborers' Organizing Fund
